

Teaching:

Go over the Homework Assignments for this week:

1. Ask participants to refer to the money saving ideas in the Student Guide and choose one more money saving idea to commit to for the next week. Facilitators will commit to one idea as well.
2. Encourage participants to revisit their budgets and revise them if needed. Ask them to commit to their budget for another week.

Discussion:

Ask if anyone has any questions. Thank everyone for their participation and let them know that the facilitators are available via phone and email between classes if anyone has any questions or issues.

After Class:

1. Facilitators fill out class reflection forms at the end of each class.
2. Facilitators should plan to meet in advance of the next class to plan, practice, and compare notes from the previous class.
