

Wrap-up:

Facilitator:

Suggested time: 10 minutes

Materials: PowerPoint slides, Student Guide p. 22

Teaching:

Go over the Homework Assignments for this week:

1. Ask participants to choose one more money-saving idea to commit to for the next week. Facilitators will commit to one idea as well. If it was useful, they can continue their idea from the previous class.
2. Ask the participants to create a list of all of their expenses. They should bring this list to the next class to help them create their own personalized, working budgets.

Discussion:

Ask if anyone has any questions. Thank everyone for their participation and let them know that the facilitators are available via phone and email between classes if anyone has any questions or issues.

After Class:

1. Facilitators should fill out class reflection forms at the end of each class.
2. Facilitators should plan to meet up in person or via phone or video call before the next class to plan, practice, and compare notes from the previous class.
