

## ACKNOWLEDGMENTS

Money Basics was originally developed by Peerlink National Technical Assistance Center, a project of The Mental Health & Addiction Association of Oregon (MHAAO). MHAAO is an inclusive, peer-run 501(c)(3) non-profit organization dedicated to self-direction, honoring the voice of lived experience. Peerlink operated from 2010 to 2020 as a federally-funded national consumer/survivor technical assistance center through the Substance Abuse and Mental Health Services Administration (SAMHSA). Money Basics was created in 2012 by Donita Diamata, Peerlink Director. We thank Donita for her hard work in building the original curriculum and facilitating Money Basics over the years. We are grateful for her vision of a strengths-based, person-directed financial literacy course designed by peers, for peers, and for bringing this important resource into our community. Additional contributions to the original Money Basics course were made by Jessica Carroll, Teanna Edwards, and Emily Nelson. We thank you all.

Money Basics was updated in 2021 by Chloe Safar through a partnership with AmeriCorps VISTA and Mercy Corps Northwest (MCNW). AmeriCorps VISTA is a national service program dedicated to eradicating poverty in communities across the U.S. The profound isolation, job loss, and economic stress experienced in our community during the COVID-19 pandemic has increased the need for resources such as this and the community these workshops can build. Chloe edited and re-wrote portions of the curriculum and developed the virtual *Facilitator Toolkit* and *Facilitator Training*. Chloe would like thank Sunny Briscoe, Emily Nelson, Scott Tidmore, Adrienne Scavera, and Kaity Riordan for all of their contributions and support. Without your help, this would not have been possible. Chloe would like to thank Emily Nelson, Sebastian Rodrigues, and Gregory Charles for kindly reviewing the curriculum and providing fantastic feedback. Chloe would also like to extend gratitude to Janie Gullickson and all of MHAAO's incredible staff for the important work they are doing in our community.

**We offer our sincere thanks to all contributors and hope that these efforts contribute to the continued recovery and healing of those in our community.**
